Dear Wallingford Schools,

Thank you for the opportunity to discuss your opening for a Computer Technician. It was a pleasure meeting you on Tuesday and learning more about the position and Wallingford Schools. I was impressed with the projects that the school is working on to aid students learning..

I am enthusiastic about the possibility of working for you at the school. The position sounds like a perfect match for my skills and experience. Please contact me by email if you have any questions. I look forward to hearing from you soon.

Sincerely,

Rob Reid
